Your ACTIVATOR formulation is based on your critical need for

ADAPTOGENS ...

in quantity & quality you will not find anywhere else.

What are ADAPTOGENS? They include vitamins, minerals, and all the other dietary supplements research proves will boost your health, so that you may ---

LIVE STRONGER LONGER.

ACTIVATOR gives you the full spectrum of vitamins, minerals and trace minerals – in their most bio-active form. It also gives you other **ADAPTOGENS** ---

--- to empower your immune system, your nervous system, and your hormone system --- in defense against physical, nutritional, emotional and toxic stresses.

All these empowering nutrients are in perfect proportions. ----- What does that mean?

The Nutri-Spec model of LIVE STRONGER LONGER is based on maintaining balance in Five Metabolic Control Systems.*

ACTIVATOR's perfect combination of nutrients feeds the strength of these health-maintaining systems. None of these ADAPTOGENS are in the forms, or in the excess quantities, that are known to cause the damage (---- yes, damage!!!) from typical supplements.

Furthermore, the disintegration curve of ACTIVATOR (and all NUTRI-SPEC products) is such that the nutrients are fully available when they reach their site of intestinal absorption.

Most nutrients have only a very short section of your intestines through which they can be absorbed. Typical supplements do not even dissolve in your gut until they pass the point of absorption for most nutrients.

ACTIVATOR'S powerful ADAPTOGENS not found in ordinary supplements:

- NADH
- Glycine + NAC
- Lipoic Acid
- Coenzyme Q-10
- Quercetin
- Benfotiamine
- L-Carnitine
- Taurine
- Chromium in Nicotinate form
- Mineral Orotates & Aspartates

You will never find such an all - encompassing ADAPTOGENS list anywhere else.

Research now shows that you can enrich your life beyond your wildest expectations if you supplement responsibly, if you supplement with nutrients of the highest biological activity, and if you supplement with nutrients in proper balance.

There is one and only one true ACTIVATOR. It is the ultimate --- your comprehensive formulation --- your assurance you are doing all you can to ---
