

ELECTRO TONIC

The Nutri-Spec model of LIVE STRONGER LONGER is largely based on maintaining balance in Five Metabolic Control Systems.*

Electro Tonic is useful in restoring electrolyte and fluid dynamics for several of your **NUTRI-SPEC** Imbalances. These include:

- Electrolyte Insufficiency Imbalance
- Parasympathetic Imbalance
- Acid Imbalance
- Alkaline Imbalance
- Glucogenic Imbalance

Electro Tonic is also a critical part of the **Nutri-Spec** BALANCING PROCEDURE --- to determine each individual's ideal proportion of the three supplements we call "Metabolic Sparks" --- Electro Tonic, Oxy Tonic, and Oxy D-plus.

*These statements come from literature provided by the National Institute of Health, but have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

Each 2 tablespoons supply:

11 mg. sulfur in vegetable-derived glycerol
