

Benefect® BOTANICAL DISINFECTANT

PRODUCT DESCRIPTION

Botanical Disinfectant, fungicide, Virucide*, Tuberculocide, Cleaner and Deodorizer

Benefect® Disinfectant is the first and only Botanical Hospital Disinfectant and Fungicide registered with the E.P.A. for control against gram-negative and gram-positive bacteria (MRSA, Salmonella enterica, Staphylococcus aureus & Pseudomonas aeruginosa), fungi (Trichophyton mentagrophytes), *virus (HIV-1, the AIDS virus) and tuberculosis (Mycobacterium tuberculosis).

Benefect is EPA registered as a No Rinse No Wipe product. Just Spray and Walk Away.™ There are no label warnings or precautionary statements for use or disposal. Personal Protective Equipment is not required, making *Benefect* Disinfectant an ideal choice for home and business owners and restoration technicians.

Ideal for many applications including grey or black water damage, mold remediation, body cleanup, carpet deodorizing and anywhere else germs or odor control is required. Very effective on organic matter.

Used by industry leading professionals since 2000. Do the job right... the first time.

Benefect is also suitable for nursing homes, hospitals, schools, universities, health clubs, boarding or breeding kennels, sports equipment, food preparation facilities, or any other residential commercial or medical application where high risk or chronically-sensitive individuals may be present.

APPLICATIONS: Water damage restoration, grey or black water (sewage) damage, and mold remediation.

Packaged: 1 gallon jug
