

IMMUNO-SYMBIOTIC IMMUNE RESTORE

This product features:

A unique proprietary blend of probiotics. Scientific research shows that they:

- Increase Bifidobacteria species, the most populous probiotics in the human gut †
- Benefit development of normal microbiota in children †
- Benefit immune development in infants and young children †
- Increase immune-modulating butyrate †
- Are beneficial in gastrointestinal infections †
- Increase intestinal production of secretory Immunoglobulin A †
- Are beneficial during and after taking antibiotics †
- Decrease the metabolic stress associated with stress hormones such as cortisol & adrenaline †
- Improve mineral absorption and maintain bone density †
- Benefit all the effects of Metabolic Syndrome, including weight gain, elevated cholesterol, and atherosclerosis †
- Benefit the symptoms of Irritable Bowel Syndrome †

Glucomannan + Inulin = the two most potent prebiotics. Scientific research shows that they:

- Benefit all immune-related inflammatory conditions and allergies, and decrease autoimmune disease antibodies †
- Increase immune-modulating butyrate better than any other dietary fiber †
- Benefit irritable bowel, and all other intestinal inflammatory conditions †
- Improve absorption of calcium, magnesium, and trace minerals †
- Improve intestinal detoxification †
- Benefit high blood sugar, aid in controlling insulin, and increase insulin sensitivity †
- Decrease body fat percent †
- Decrease triglycerides and decrease LDL cholesterol without decreasing HDL cholesterol †
- Increase the population of beneficial intestinal microbiota †

FOUR CAPSULES SUPPLY		
Probiotic Blend	5 billion	CFU
Lactobacillus reuteri		
Lactobacillus paracasei		
Lactobacillus plantarum		
Bifidobacterium longum		
Bifidobacterium lactis		
Glucomannan (Amorphophallus konjak root)	750 mg	
Chicory inulin	750 mg	
Other ingredients: Hypromellose, vegetable magnesium stearate and silica		
Contains milk.
