

L-PHENYLALANINE

(500 mg. capsules)

Phenylalanine supplementation is a useful adjunct in balancing several of your NUTRI-SPEC imbalances. These include:

- Glucogenic Imbalance
- Ketogenic Imbalance
- Parasympathetic Imbalance
- Acid Imbalance

Conditions frequently found in patients who have one or more of these imbalances include:

- fatigue
- low blood pressure
- mental fog
- shortness of breath
- increased pain sensitivity
