

TAURINE

(500 mg. capsules)

Taurine supplementation is a useful adjunct in balancing several of your NUTRI-SPEC imbalances. These include:

- Electrolyte Stress Imbalance
- Anaerobic Imbalance
- Ketogenic Imbalance
- Sympathetic Imbalance

Conditions frequently found in patients who have one or more of these imbalances include:

- fatigue
- high blood pressure
- cardiac arrhythmia
- cardiovascular disease
- high cholesterol
- seizures
- migraines
