

## OXYGENIC K

The Nutri-Spec model of LIVE STRONGER LONGER is largely based on maintaining balance in Five Metabolic Control Systems.\*

**Oxygenic K** contains a unique blend of the nutrients with a specific normalizing effect on a **Ketogenic Metabolic Imbalance** when such is determined by your **NUTRI-SPEC** procedures.

Never before **NUTRI-SPEC** have supplements been available with such potent and specific biological activity.

**Oxygenic K** is a dietary supplement to support health in balanced Ketogenic and Glucogenic phases of metabolism. Its potency comes not from megadoses, but from specific combinations of nutrients.

This supplement will promote metabolic balance and improved physiological function for the full spectrum of nutrition patients, from those suffering with poor health to competitive athletes.

\*These statements come from literature provided by the National Institute of Health, but have not been evaluated by the FDA.

This product is not intended to diagnose, treat, cure, or prevent any disease.
