CAN YOU TRULY EXTEND YOUR LIFESPAN?

Anti-aging nutrition? Are you interested? Anti-INFLAM-AGING? The possibility is real; the science of Gerontology proves it; and achieving extended Lifespan is easily attainable for you, your family, and your patients.

Yes, easily attainable --- and quite simply achieved, with your ---

STAGE OF LIFE INFLAM-AGING DEFENSE **DIPHASIC NUTRITION PLAN**

Lifespan extension and Health Span extension have always been the impossible dream of clinical nutritionists. That is why so many have given in to the Siren Song beckoning us to “treat” diseases with supplements. = Endless frustration.

Now truly --- with your SOLID DNP, your clinical power against INFLAM-AGING is elevated to a level you never dreamed possible.

ACTIVATOR + REJUVENATOR = ADAPTOGENS & Rejuvenins

REJUVENINS?

Taking you a huge step beyond the ADAPTOGENS of ACTIVATOR, REJUVENATOR gives you what Gerontologists call "Rejuvenins". These Rejuvenins, when ideally blended, combine to defend against INFLAM-AGING arising intracellularly by your own individual biological clocks:

- Carnosine
- N-Acetyl-L-Cystine
- Glycine
- Alpha Lipoic Acid

REJUVENATE ...

- Your IMMUNE DEFENSE ...
- Your DIPHASIC METABOLIC CYCLE ...

DEFEND AGAINST INFLAM-AGING

Yes, your capacity to defend against ---

INFLAM-AGING ---

is the key to your health, and that of the patients you serve.

But what exactly is AGING? ----- It is nothing more than insufficient ADAPTOGENS & REJUVENINS to maintain health in defense against the stresses of life.

As you recently learned --- there are actually 2 distinctly different types of aging ...

- One is aging “from the outside-in” (= EXOGENOUS Aging).
- The other is aging “from the inside-out” (= ENDOGENOUS Aging).

No one has ever been able to match the power you have with NUTRI-SPEC to defend against EXOGENOUS Aging.

No one else is even aware that ENDOGENOUS Aging exists --- let alone has control over it --- as you --- and only you --- can offer your patients.

Activator + Immuno-Synbiotic + Adapt-Max + Oxy-Max (+ Rejuvenator) = All the ADAPTOGENS you need (which is truly all you need) to defend against Exogenous INFLAM-AGING.

Activator + Immuno-Synbiotic + Rejuvenator + Adapto-Max, (+ Oxy Max) = All the REJUVENINS you need (which is truly all you need) to defend against Endogenous INFLAM-AGING.

And when we say “all” we mean that Gerontologists show all aspects of tissue catabolic damage and tissue anabolic damage are controlled by these ADAPTOGENS & REJUVENINS.

That most drugs pushed by Pharmacologists are shown to be nothing more than palliative treatments aimed at minimizing effects --- and not addressing the causes of INFLAM-AGING is the reason why Gerontology has not taken the medical profession by storm. Physicians, and certainly the Pharmaceutical Industry, are so focused on their fragmented approach to what they call “health care” --- they cannot imagine entirely changing the paradigm to true health care.

The Gerontologists' elucidation of Exogenous and Endogenous INFLAM-AGING represents that impossible dream ...

A UNIFIED THEORY OF HEALTH.

Historically, the dream of that ideal was termed, "A Unified Theory of Disease" --- but now that Gerontologists prove that "disease" is really nothing more than a deficiency of "health defenders" --- ADAPTOGENS & REJUVENINS --- it is time for a change in perspective.

And --- when we say "all" we mean that all else in the way of Clinical Nutrition or Alternative Medicine is at best a waste of patients' money, or worse --- will actually accelerate either Exogenous or Endogenous Aging. Truly, your SOLID DNP covers it all --- in one concise, comprehensive package ---

--- Eat Well – Be Well = the ideal anti-INFLAM-AGING dietary plan.

--- Immuno-Synbiotic = the ultimate in combining probiotics & prebiotics to Support the 70% of the Immune System stationed in the gut --- and from there to control INFLAM-AGING in the Gut-Brain Axis, Gut-Liver Axis, Gut-Adipose Axis, Gut-Autonomic Axis, and Gut-Hypothalamus Hormonal Axis.

--- Activator = the one-of-a-kind combination of ADAPTOGENS & REJUVENINS to maximally activate efficiency in every metabolic pathway known.

--- Rejuvenator = (when paired with Activator) the comprehensive and perfectly balanced blend of the only non-drug REJUVENINS research shows will control Endogenous INFLAM-AGING --- that you give to patients per your SOLID DNP with full consideration of their Stage of Life.

--- Adapto-MAX = the most powerful blend of ADAPTOGENS supporting defense against both Exogenous and Endogenous INFLAM-AGING (=both Health Span and Lifespan) --- and given to patients per your SOLID DNP with full consideration of their Stage of Life.

--- Oxy-MAX = the most powerful blend of Anti-Oxidant ADAPTOGENS supporting defense against Exogenous INFLAM-AGING (Health Span) --- and given to patients per your SOLID DNP with full consideration of their Stage of Life.

--- Oxy Tonic, Electro Tonic, Oxy D+ = “Metabolic Sparks” --- balancing tissue pH, and membrane permeability, & energy production --- individualized for each patient by your BALANCING PROCEDURE.

Truly, your patients cannot find anything so comprehensive and so powerful anywhere else. Truly, they cannot match even one of these supplements, let alone their synergistic combination. --- And, --- there is nothing else you can offer your patients --- other than the frustration of chasing symptoms with health food industry remedies.

Truly, --- those symptoms vary from patient to patient in accord with the concept ---

EVERY CHAIN BREAKS AT ITS WEAKEST LINK.

Don't waste your time and your patient's money trying to patch broken links. STRENGTHENING THE ENTIRE CHAIN is the only way to restore function to every link.

Your Activator represents a Quantum Leap in ---

YOUR POWER TO EMPOWER.

With the addition of the REJUVENINS NAD+, Quercetin, and Glycine + NAC --- Activator opens the door to that impossible dream = the only way to enter the realm of a Unified Theory of Health --- eschewing the counterproductive and money-wasting “treatment” of diseases.,

[Speaking of money --- do not be put off by the price of Activator = think value, not cost. As you read the instructions for how to administer your SOLID DNP, you will see that the quantity of all other supplements needed is reduced substantially. Furthermore, most of your patients are entering Nutri-Spec at a Level 1 or Level 2 commitment --- and at that Level, Activator + Immuno-Synbiotic covers all they need, and all they will ever need = No money wasted on health food store wishful thinking. ----- Activator is so far-reaching in its effects that most people only need to go through one bottle at the label recommended 2, twice daily. After that REPLENISHING, they can decrease to only 3, or 2, or even 1 daily. The key is to not pollute or dilute its power by taking junk supplements.]

If patients ask you, “What does Activator do? --- Your reply can be built on the comeback, “There is nothing it doesn't do!”

(When combined with Immuno-Synbiotic and a reasonable attempt to Eat Well – Be Well) “It activates! It activates every energy-producing process in your body; it activates all aspects of your Immune System defenses; it activates your defense against inflammation and activates the rebuilding or improved function everywhere in your body where health and well-being are a concern --- everything that health food remedies promise to do --- but can’t.

“Activator activates your body’s capacity to **LIVE STRONGER LONGER.**”

SPECIAL THIS MONTH: Activator = 2 bottles **FREE** with every 10 you buy.
